PROJECT PERU is a small, lively, totally voluntary UK-based charity with minimal overheads offering food, clothes, shelter, education, health and fun to those in need in a country where much of the population still exists in extreme poverty; we also give support in the wider community

WE SUPPORT a children's refuge in the desert shanty towns of Lima, Peru which we founded

WE DEVELOP new initiatives in Peru in the local community and in the high Andes

WE REACT swiftly to direct calls for practical help from our refuge

WE KNOW that all our aid shipments reach their destination and are put to immediate use

WE FUND almost the entire costs of the refuge through a range of activities which we or our supporters organize, from sponsored events, educational projects and craft sales, and through individual and company donations

WE INVOLVE volunteers of all ages and occupations both in Peru and in the UK

WE SEEK to raise awareness about issues relating to poverty and development

WE BELIEVE that, despite our more serious purpose, our activities should be fun for all those taking part

WE NEED your support, so why not

- Make a regular donation by Giftaid?
- Take part in our activities as a volunteer in the UK or in Peru?
- Invite us to your school?
- Organise a fundraiser for us?

PLEASE BE IN TOUCH AND HELP US TO GO ON HELPING PERU! GRACIAS!
